— Manufacturing and Distribution of —
Architectural Millwork & Select Building Products

Since 2010, Interior Wood Products has been the Midwest Region's most comprehensive source for architectural millwork and select building products. Interior Wood Products' unique manufacturing capabilities enable us to tailor or custom manufacture any item to ensure that you get exactly what you want. Quality service makes us your partner in your building project.

Our vast product offering serves the needs of leading multi-family and large development builders, custom builders, designers, remodelers, and individual homeowners. Interior Wood Products is a partnership of industry leading manufacturing, distribution, sales, logistics and business management entities. We guarantee effective cost management, the highest quality, and unmatched customer service.
