

The image shows a bright interior space with a large, multi-paned window on the left. To the right, a dark-colored barn door with a prominent 'X' design is partially open, revealing a white door underneath. The walls are finished with light-colored horizontal shiplap. A white chair is visible in the lower-left corner, and a patterned rug is on the floor.

ARCHITECTURAL MILLWORK

DOORS - MOULDINGS - STAIR PARTS
HARDWARE

Since 2010, Interior Wood Products has been the Midwest Region's most comprehensive source for architectural millwork and select building products. Interior Wood Products' unique manufacturing capabilities enable us to tailor or custom manufacture any item to ensure that you get exactly what you want. Quality service makes us your partner in your building project.

Our vast product offering serves the needs of leading multi-family and large development builders, custom builders, designers, remodelers, and individual homeowners. Interior Wood Products is a partnership of industry leading manufacturing, distribution, sales, logistics and business management entities. We guarantee effective cost management, the highest quality, and unmatched customer service.

PEDIMENT HEAD DESIGN IDEAS

Adding a pediment head is a simple way to dramatically transform any architectural door or window opening.

Choose from a variety of S4S widths to create a pediment appropriate for your individual ceiling height.
